Caring Counselors

Of all Camp Westminster's qualities, we're most proud of our counselors! Our staff, a motivated and enthusiastic team of men and women, loves Jesus and loves working with children. Each one is devoted to seeking God's best for each camper. For Caitlyn this may mean learning to swim; for Megan, adjusting to being away from home for the first time and for Caleb, exercising faith and gaining confidence on the climbing wall. Carefully chosen and thoroughly trained, they serve as role models, companions, and spiritual examples.

Exciting Activities

Camp Westminster offers dozens of carefully supervised and safely instructed activities. Climb our 50-foot climbing tower and zip down our breathtaking zip line! Hop on a horse and ride the trails, learn to swim, and hone your basketball skills. Choose from soccer, archery, creative arts, performing arts, and campcrafts. Go fishing or canoeing on our 2-acre lake. Older campers (ages 10+), brave the high-ropes adventure course, drop from our giant swing, or establish their supremacy on the paintball field. Campers might also participate in campouts, cookouts, skits, and bonfires. Dominate at counselor hunt, compete in speedball, or take a hike to the Yellow River. Every day is action-packed, and as thrilling as the last!

Focused on Relationship

Each fun-filled day at Camp Westminster is dynamic, enriching and interactive. Campers are immersed in a beautiful, natural environment with a staff of counselors equipped to nurture, instruct and encourage. Morning and evening programs are designed to challenge each camper physically, intellectually, socially, and spiritually. Campers also spend time each day with their cabin of nine peers and three counselors, forming a real sense of unity and belonging. Friendships are spontaneous and enduring, as strong bonds are formed and deepened.

Unique Overnight Sessions

Camp Westminster offers a variety of camping sessions, each uniquely designed and planned. Never been to summer camp before? Our First Timers minisession, is perfect for campers ages 6-9 who may not be ready for a full week away. Middle School students ages 10-13 are especially invited to attend our Trail Blazer weeks. These week-long sessions are the best choice for high-energy pre-teens. And, of course, we always offer our classic Adventure session for campers ages 7-12. Our favorite all-around session! Finally, Senior Blast is a one-of-a-kind experience for teenagers ages 13-17, with special speakers and creative activities available only to this older session. Packed so full we had to add an extra day!

Day Trek

In addition to our variety of overnight sessions, Camp Westminster offers week-long day camps—the same nurturing environment, the same exciting experience! Our Day Trek campers (Ages 6-10) will encounter new activities each day, including horseback riding, nature exploration, creative arts, soccer, swimming lessons, and our climbing wall. Our experienced staff, low camper-to-counselor ratio, and attractive programming all reflect a dedication to quality Christian camping.
